RETURN TO GYM/FIELD POLICY

If the event arises where a fan would need to be removed from a McKenzie County School District #1 venue for inappropriate conduct determined by either administration or the game officials, the following protocol will take place before readmittance will be allowed.

1. Individual(s) involved will need to complete the NFHS Positive Sport Parenting class and present the certificate to administration.

2. A meeting will need to be set up with the Activities Director to determine the length of suspension from all McKenzie County School District events. The suspension will be determined by administration on a case by case basis.
3. In the event of a second incident occurring in the same school year calendar, the individual(s) involved will be banned from all McKenzie County School District events/activities for the remainder of the year. Prior to being allowed back in the following year, a meeting with AD and Superintendent will need to occur.
