

COMPENSATION AND EXPENSES FOR BOARD MEMBERS

Board members will be paid for each Board meeting actually attended via remote or in-person. Committee meetings and negotiation session meetings will count as meetings for purposes of compensation only when the individual member is a member of the committee or negotiating team or is a substitute for an absent member. Board members serving on committees and attending the meeting, either remote or in-person, will also be compensated accordingly.

The amount Board member compensation per meeting will be determined at the Annual Meeting held in July each year by the Board of Education.

The Business Manager shall keep such records necessary to determine the compensation due each board member with verification provided by each board member.

In addition, board members may be reimbursed for all necessary meals, lodging, and travel expenses actually incurred by the member while engaged in official business of the Board. The rate shall be paid in accordance with law.
